Re: Disposal of Primary Paper Mill Sludge from
Container Corporation of America
Wabash, Indiana

Dear Mr. Gill:

This letter acknowledges the request for disposal dated June 22, 1987, from Container Corporation of America, Wabash, Indiana.

Approval is hereby granted for disposal of 200 cubic yards per day of primary paper mill sludge from a lagoon at Container Corporation of America, Wabash, Indiana at the Wabash Valley Reclamation Center Landfill, OPP No. 85-1, Wabash County. The waste is to be mixed with solid waste and covered with a minimum of six (6) inches of cover soil by the end of the working day.

The approval is granted subject to the following conditions:

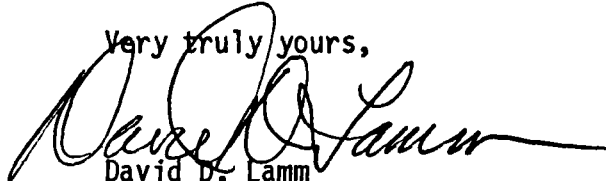

1. The generator and/or hauler must contact you to notify you of the time of disposal and conditions of shipment.
2. If nuisance or pollution conditions are created, immediate corrective action will be taken by the operator.
3. Waste material accepted under this approval shall be included on the Special Waste Monthly Report to be submitted to this office monthly.
4. This waste shall contain a minimum of free liquids.
5. This approval will expire February 28, 1988.

This approval will be revoked if the landfill fails to maintain compliance with 330 IAC 4-1, et seq. (Regulation SPC-18). Any necessary local approval must be obtained, but is not required for this approval to be valid.
